

# June, July, and August Calendar of Events

Summer Reading Events for KIDS, TEENS,  ADULTS!

READING  
*by* DESIGN  
*Summer Reading 2017*

Welcome To your library & your summer!

## A NOTE FROM THE DIRECTOR...

In one of her books, popular young adult author Sarah Dessen refers to summer as “this collection of weeks when anything is possible.” If you’re looking to grow your tech skills or garden, learn a craft or new recipe, discuss a book or watch a movie in a beautiful air conditioned space, or bring the children in your life to a super fun especially-designed-for-them program, the library has possibilities waiting for you this summer. We hope you’ll take a moment to look over the calendar and set aside dates for the events that spark your interest, and then come explore with us at RCPL.

I’ll see you at the library!

**Shari Henry**

Director of Roanoke County Public Library

# Summer Reading

**We have Summer Reading programs for ALL AGES!**

**June 5<sup>th</sup> to August 4<sup>th</sup>**

### **How Do I Sign Up?**

Just visit any of our libraries & tell them, excitedly, that you want to sign up for the Summer Reading Program.

It's that easy!

Upon signing up you will receive registration prizes, booklets, & instructions on what to do to complete the program.

Get ready for some fun @ your library this summer!

### **The theme is *Reading By Design*.**

*Reading by Design* is inspired by the creativity of authors, illustrators, builders, inventors, artists, architects, & everyone who makes our world a more interesting, livable, accessible, & beautiful place.

In turn, we hope it inspires readers to explore their own creativity & design new worlds for themselves and for all of us. (iRead 2017)
